KONTOR 3.11 – KNOW HOW

Die Kontor3.11 GmbH (vormals KNIXS GmbH) ist ein seit 2004 am Markt agierendes deutsches Handelsunternehmen. Wir sind europäischer Distributor für verschiedene Unternehmen, übernehmen den Warenimport und bieten umfangreiche Zusatzservices in den Bereichen Qualitätskontrolle, Zertifizierung, Lagerverwaltung, Logistik und Marketing.

Unser Produktschwerpunkt liegt dabei im Bereich der Knicklicht-, LED und UV-Partyartikel. Wir halten die Markenrechte für **Knicklichtprodukte** der Marke KNIXS®, **LED Artikel** der Marke BLINXS®, **Konfettiartikel** der Marke KAAWOOM® und vertreiben das gesamte Produktsortiment inklusive **UV-Neon-Produkte**, entweder als White Label oder als individuell gestaltete Linien im B2B Bereich.

Unsere Leidenschaft liegt in der Gestaltung optimierter Handelsprozesse und perfekter Einkaufserlebnisse für unsere Kunden und Partner. Wir reagieren innovativ, dynamisch und flexibel auf sich abzeichnende Trends und individuelle Kundenbedürfnisse. Ein besonderes Alleinstellungsmerkmal ist die Qualität unserer Produkte, die wir durch einen engen persönlichen Kontakt mit den jeweiligen Herstellern sichern. Gemeinsam werden unsere Produkte ständig weiterentwickelt und verbessert.

Wir kontrollieren den Produktionsprozess und die Qualität vor Ort im Herstellerland und lassen unsere Produkte stets auch in Deutschland durch akkreditierte Prüfinstitute überprüfen und zertifizieren. Die Qualität unserer Produkte sowie die Zufriedenheit unserer Kunden sind oberstes Anliegen unseres Unternehmens.

In den Artikelgruppen Markennicklichter, LED-Partyartikel, UV-Neon-Artikel und Konfettikanonen zählt unser Sortiment über 350 Artikel. Unsere Bestseller sind die Knicklichter in verschiedenen Größen und Farben.

Neben dem Privatkunden hat sich die Kontor3.11 GmbH der Beratung und Betreuung der Events und Werbekampagnen von Großkunden verschrieben. Anwendung finden unsere Knicklichter und das umfangreiche Zubehör für Dekoration vor allem als Party- und Spaßartikel bei Events und als innovative Werbekampagnen für Messen und zahlreiche Firmenevents.

Weitere Verwendungszwecke der liegen in den Bereichen Outdoor-, Extrem- und Freizeitsport, aber auch als Einsatzbeleuchtung für sicherheitsrelevante Branchen wie Objekt- und Veranstaltungsschutz, die chemische Industrie sowie für Feuerwehren, technische Hilfsdienste und Streitkräfte.

Wir freuen uns darauf, Ihnen bei allen weiteren Fragen und Wünschen jederzeit beratend und kompetent zur Seite stehen zu können. Für weitere Informationen und Anfragen nutzen Sie bitte den persönlichen Kontakt zu uns.

Wir bedanken uns für Ihr Interesse und freuen uns auf die Zusammenarbeit mit Ihnen.

The Kontor3.11 GmbH (former KNIXS GmbH) is a german import/export trading company which is operating in the market since 2004. We are European Distributors for various brands, provide the full range of service from quality management, certification, warehouse management, logistics and marketing.

*Our product focus includes glow, LED and party items. We hold the trademarks for **glowstick products** branded KNIXS®, **LED products** branded BLINXS®, **confetti items** branded KAAWOOM® and selling the entire product range, including UV neon products, either as a White Label or as Custom lines in the B2B sector.*

Our passion is designing optimized trading processes and perfect shopping experiences for our customers and partners. We respond innovative, dynamic and flexible to emerging trends and individual customer needs. The quality of our products is ensured by close personal contacts with the respective manufacturers. Our products are constantly developed and improved.

We control the production process and the quality on spot in the manufacturing country. All products are tested in Germany by accredited testing institutes such as the Hansecontrol. The quality of our products and customer satisfaction are a top concern of our company.

Our assortment contains over 350 product items from glow sticks, led party products, UV neon articles to confetti shooters. Our best sellers are the glow sticks in various sizes and colors.

In addition to our B2C businesses Kontor3.11 advises and supports events and advertising campaigns for major clients. Our glow sticks and the wide range of accessories for decoration are primarily used as party and fun article at events and innovative promotional products for trade shows and numerous corporate events.

Other uses are in the fields of outdoor, extreme and leisure sports, as well as use lighting for security-related industries such as object and event protection, the chemical industry, as well as for fire protection, technical support services and armed forces.

We are looking forward to you at any time with advice and expert information on all other questions and requests. For further information and inquiries, please use the personal contact with us.

We thank you for your interest and look forward to working with you.
